

Deeper Dive into Technology

What it IS:

- a tech focused **Genius Hour** for teachers
- teachers will **drive your own learning**
 - you pick your own topic
- **learning technology** “with a lil’ help from your friends” 😊
- a **safe place** to move out of your technology comfort zone
- a **collaborative** learning environment set up to **try something new** and **get credit for it!**

What it is **NOT**:

- a techie led training
- a lecture-based training
- a “sit & get” type training
